

EXPERIENCING WGPS

LEARNING FESTIVAL

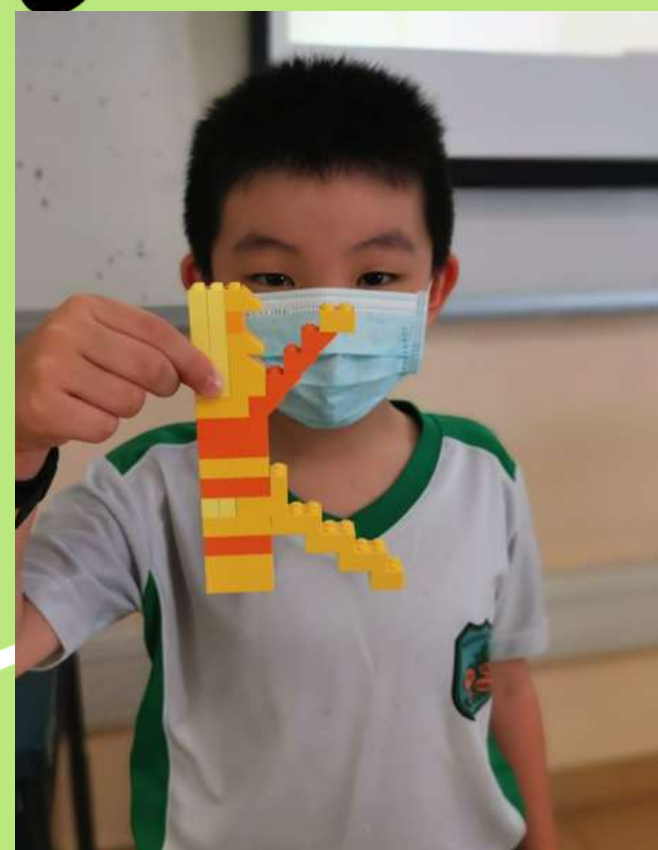

Our Primary 1 Woodgrovians were engaged in exciting activities during the 3-day Learning Festival such as decorating their wooden aeroplanes with Growth Mindset quotes, in line with the theme 'Courage to SOAR' and tinkering with Lego blocks. They also learnt how to demonstrate our school values through the Kindness board game and during the PE Challenge. Our Woodgrovians went on an enriching learning journey around their neighbourhood as part of the Social Studies curriculum to deepen their civic literacy, understanding of the community and also to reinforce their road safety awareness through authentic situations. With such fun-filled and memorable experiences, we hope our Woodgrovians will continue to have the courage and motivation to SOAR to greater heights!
